Creative writing - Malvolio's story

Imagine that you are Malvolio and you are telling the story of the trick the others played on you from your point of view.

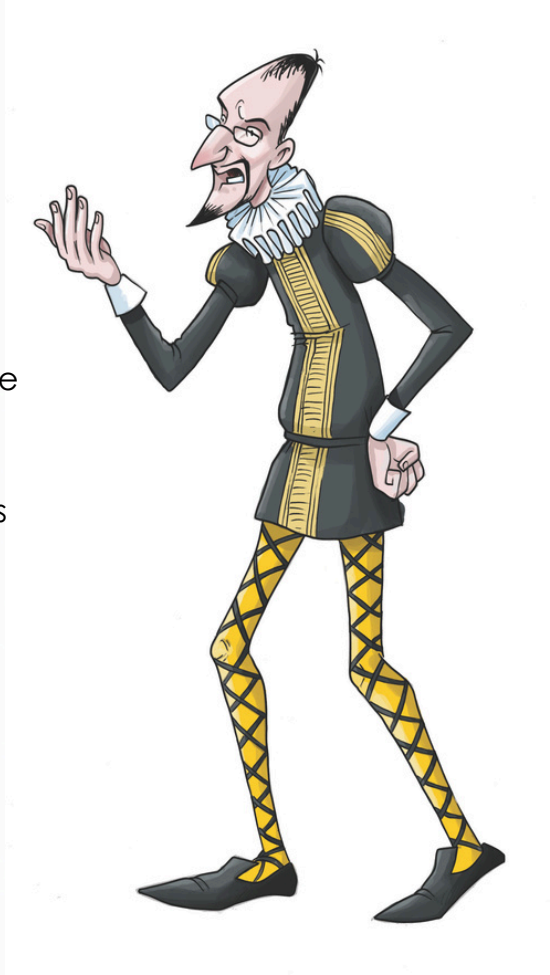

Think about how Malvolio would answer these questions:

- What happened?
- What did you think when you found the letter?
- How did Olivia treat you when she saw you?
- How did you feel when you realised you had been tricked?

Use your answers to these questions to write a narrative in the first person telling your side of the story.

Details to include:

- Why the other servants were cross with you (you told them off for making too much noise).
- Finding the letter from 'Olivia' saying she loved you.
- Getting dressed in your yellow stockings and garters.
- What happened when Olivia saw you.
- Realising you had been tricked by the other servants.
- What are you going to do now?
