# Viola's speeches

In this video, Viola performs her speech from Act 2 Scene 2. She realises that Olivia has fallen in love with her - thinking she is a man called Cesario. Viola also tells us that she in love with Orsion, who also thinks she is a man; while Orsino is in love with Olivia!

In this second video, Viola talks about how she misses her twin brother, Sebastian, and shares her memories of the shipwreck that caused them to be separated. She also talks about her hopes for the future.
