Let's Play On

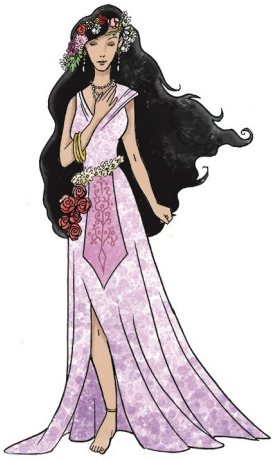

Shakespeare Week 2025 Song

Written by Amy Newhouse-Smith and Jess Parker

Verse 1 Listen up, hear what I say
'Bout the characters in Shakespeare's plays
Their highs and lows, their hopes and dreams
Their twists and turns, their plans and schemes
Stories of heroes and enemies
Glories, adventure and tragedy

Chorus Make way for the mischief makers
Wicked villains, hopeless fools
Give it up for the star crossed lovers
Breaking hearts and breaking rules
Hands up can you feel the magic
Let it cast a spell on you
Time to turn the page,
'Cause all the world's a stage
So let's play on

Verse 2 Proud Titania, Fairy Queen
Strong and graceful and sometimes mean
Thought she found love in a dream.
But all was not quite as it seemed
Juliet was brave and smart
But listened only to her heart
Tragedy it played its part
A tale of woe right from the start
Lady Macbeth gave up everything
Ruthless ambition to crown her king!

Chorus Make way for the mischief makers
Wicked villains, hopeless fools
Give it up for the star crossed lovers
Breaking hearts and breaking rules
Hands up can you feel the magic
Let it cast a spell on you
Time to turn the page,
'Cause all the world's a stage
So let's play on
So let's play on
So let's play on!
